PRESS RELEASE

FOR IMMEDIATE RELEASE

2013 SAM AWARDS *Winners Announced*

Canadian Home Builders' Association – Calgary Region is pleased to announce the list of winners for the 2013 SAM Awards.

The SAM Awards, now in its 27th year, celebrate innovation and excellence in the Calgary and area's residential construction industry. The Gala was held *Saturday, March 29th, 2014* at the Telus Convention Centre with more than 1,600 people in attendance and a record number of submissions (776) from members vying for the prestigious awards.

The best-of-the-best 2013 Grand SAM Winners were: Builder of the Year – Morrison Homes.; Builder of Merit – Empire Custom Homes; Multi-Family Builder of the Year – Jayman Group of Companies; Renovator of the Year - Albi Renova Ltd.; and Partner of the Year – PHI Systems.

"Once again, the new home industry in Calgary continues to amaze," says Shane Wenzel, co-chair of the SAM committee for CHBA – Calgary Region. "No matter the economy, no matter whether builders are busy, the industry puts out their best year after year."

It's that winning combination of value and innovation, excitement and quality, that makes the SAM Awards so coveted, says Wenzel. "When you have such a competitive industry like we have here in Calgary, everyone puts out their best – and the homebuyers are the winners."

The award process is detailed with volunteer industry peers judging the submissions and awarding points in each category. The top five in each category receive additional placement points that help determine the Grand SAM winners. Companies must enter a set number of categories in order to qualify and must win at least one of those categories. The results are authenticated by MNP LLP.

"These prestigious awards are taken very seriously by us and those in the industry," says Wendy Going, the other SAM co-chairman. "That's why the competition is so well respected in the industry – and why homebuyers look for the SAM birds from the builders who have soared high enough to capture the silver goose. The winners are truly the best-of-the-best in the Calgary region."

Canadian Home Builders' Association – Calgary Region presents the following SAM Awards categories (the number of awards in each category follows in brackets): Advertising & Marketing Awards (8), Developer Awards (4), Industry Achievement Awards (1), Multi-Family Awards (11), New Home Awards (14), Partner Awards (3), Renovator Awards (7), Sales Achievement Awards (2), Sales & Information Centre Awards (2), and the GRAND SAM Awards (5). GRAND SAM Awards are presented to the Builders, Renovator and Partner who have demonstrated a superior achievement in design, sales, advertising and/or service.

ABOUT CANADIAN HOME BUILDERS' ASSOCIATION – CALGARY REGION

The Canadian Home Builders' Association - Calgary Region is a not-for-profit organization with a membership of more than 640 companies representing all facets of new home construction, from single and multi-family builders, renovators, and residential land developers, to trades, suppliers, and professional companies involved in some aspect of home building. As many as 37,000 people work in the residential construction industry in the city. Its vision: "We are the respected voice shaping the future of the home building industry."
